

## SLLIS Parent Engagement Cycle 2021

Throughout the school year, SLLIS will lead a continuous cycle of community feedback and engagement as follows:

1. Collect detailed information from staff, parents, and students about concerns.
2. Use the concerns raised to learn more by sending out surveys and gathering other information as necessary.
3. Use the feedback collected to plan next steps with the community.
4. Summarize all findings, then share with the community.
5. Repeat!
