

District Virtual Academy Program Description

Are you looking for an online option for your student?

- Baker Web Academy is partnering with your school district to provide families with an online option called- **District Virtual Academy**. This program is a blend of BWAs curriculum, administration, and support along with your district's teaching staff. For students who are wanting online schooling with teacher support for the 21/22 school year- this is a great option!

Purpose/Intent

- Provide a well developed and long-standing successful online learning platform for families in your school district.
- Allow families to enroll in this District Virtual Academy and avoid the 3% enrollment cap and intent to enroll process while still accessing local district resources.
- BWA will provide families with curriculum, grading feedback, a personal advisory teacher, and progress monitoring all at no cost.
- DVA students will have in person support once a month and daily check ins from their teacher, as well as many opportunities to participate in field trips, Lego Robotics, STEAM day and much more at our student centers.

Details

- The District will provide families:
 - A student computer with built-in security, and tech support
 - Access to district buildings and resources as appropriate for all students

Calendar

- Students will follow the [Baker Web Academy academic calendar](#) in conjunction with their local school district's calendar. If your local school starts the academic year prior to BWA then you will receive educational services at your local school until this program begins.

Application- [K-6 Application](#) and [7-12 Application](#)

- New and Returning students will fill out this simple form that will give BWA the information they need to help them select their curriculum, sign up for classes, and get set up in our systems.
- If you are unsure of what curriculum to choose, please reach out to our curriculum specialist Ellery Garrison 541.200.4372/egarrison@bakercharters.org

We look forward to working with your family. Please reach out if you have any questions.

Mrs. Ellery Garrison

District Virtual Academy

Vice Principal
