# SWAN VALLEY Communicator

AUGUST 2021 • VOLUME 49 • NO 1  
PUBLISHED 3 TIMES ANNUALLY

## Thank You Swan Valley School District Community!

We would like to thank the entire Swan Valley Community for approving the 2021 Bond Proposal. These improvements will have long lasting positive impact for our students and community. As a reminder, this is a “two series” Bond issue which means that the majority of the projects will commence with the 2021 issue and the remainder with the 2023 issue. At this time, the auditorium and major site work (asphalt paving) are expected to be completed in 2023. All other projects are expected to be completed in, or near, the summer of 2022. RC Hendricks (general contractor) and Tower Pinkster (architect) will assist us with community updates which will be provided on the district website (swanvalleyschools.com) and in future Communicator articles.

I would like to thank the members of the Citizen’s Bond Committee. Without their hard work, this Bond Issue would likely not have come to fruition:

While on the topic of “thank-yous” I would also like to take this opportunity to thank our school district families and community for their patience and understanding over the past 17 months. Educating during a pandemic was not something any of our staff “signed up” for, but once we realized that we are stronger together we were all able to work in the best interest of our students. Schools around the country continue to be respond to the ever changing requirements placed upon and your continued patience is appreciated.

I will end with the same statement shared in the Fall of 2020, let’s work together to beat this pandemic and help our kids to emerge from it stronger, more confident, and more resilient. I wish everyone the best as we begin the 2021-2022 school year. **Go Vikings!**

## English Language Learners (ELL):

The Swan Valley School District seeks to provide every child, regardless of national origin or native language, quality, and meaningful educational instruction. Consequently, students who are English Learners (ELs) are provided instructional services through an English as a Second Language (ESL)/Bilingual program which is designed to meet their unique needs.

Under Title VI of the Civil Rights Act of 1964 and the EEOA, all States and LEAs must ensure that ELs can participate meaningfully and equally in educational programs and services. Students who meet the protocol requirements as English Learners (ELs) must be provided a language assistance program, in addition to the basic/core education services (adopted by the local board of education) that all students in the LEA receive. These federally required language assistance program services ensure that ELs have equitable access to the basic, local board of education-adopted curriculum provided to all students, and acquire English language proficiency.

More information can be found in the Swan Valley School District English Language Learner Handbook available at the District Administration Center.

## Opt Out Form for District School Students

**Directory Information:** The district may disclose information that is generally not considered harmful or an invasion of privacy if the primary purpose is to allow the district to include this type of information in certain school publications, such as yearbooks, newsletters, playbills, honor rolls, web page, social media, school announcements, local news/media outlets, or military. Directory information includes the student's name, address, email address and telephone number; the parents' names, addresses and telephone numbers; the student's photograph; date and place of birth; class /grade level; enrollment dates; weight and height if the student is a member of an athletic team; awards received; and extracurricular participation.

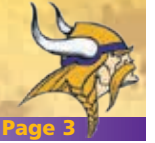

The district will not disclose directory information unless the district or school will use the information in a publication or a third party has requested the information for a reason that, in the judgement of the district, serves the student's best interests. For example, the district will comply with directory information requests from another school in which a student seeks to enroll, universities and colleges, law enforcement and Child Protective Services. The district will provide directory information for commercial purposes only if beneficial to students, such as yearbook or class ring sales. Your child's directory information will be released as described above, unless you direct otherwise by checking the box below:

***I do not want my child's directory information released. By selecting this option, I understand that my child's name and/or image will not be included in the yearbook, newsletters, programs, and other school and district publications.***

**Protection of Pupil Rights:** The Swan Valley School District will make instructional materials available for inspection if those materials will be used in connection with a U.S. Department of Education funded survey, analysis, or evaluation in which their children participate and will obtain written parental consent before minors are required to participate (PPRA USC 1232h; 34 CFR Part 98).

**McKinney-Vento Homeless Education Assistance Improvement Act:** The Swan Valley School District must ensure that each homeless youth has equal access to the same free, appropriate public education, including a public preschool education, as provided to other children. Homeless children will have access to the education and other services that such children need to ensure an opportunity to meet the same challenging State student achievement standards to which all student are held (42 USC 11431 et seq.).

## Swan Valley/STCS Nutrition Services Program Information

**Contact Info: Nutrition Services at (989-793-9713 or [nsoffice@stcs.org](mailto:nsoffice@stcs.org))**

**HELP WANTED!** The Nutrition Services Department is currently looking for part-time kitchen helpers/cashiers, a food truck delivery driver and substitutes. If you are interested, you can apply online at: <https://www.applitrack.com/gcaps/onlineapp/> or apply in person at 3283 Fashion Square Blvd. If you have questions concerning employment, please contact the Nutrition Services Office at 989-793-9713.

**USDA has passed a waiver for ALL students to receive free breakfast and lunch for the 2021-22 school year. However, it is still very important to fill out the application for the new school year in the event P-EBT benefits are distributed once again. IF YOU ARE NOT APPROVED FOR FREE OR REDUCED PRICED MEALS FOR THE 2021-22 SCHOOL YEAR, YOU WILL NOT BE ELIGIBLE FOR P-EBT BENEFITS FOR THE NEW SCHOOL YEAR. Please fill out an application to avoid missing out if these benefits are offered.**

**FREE & REDUCED MEAL APPLICATIONS:** Packets will be mailed out in mid to late August to all households that do not receive a pre-approval letter for free or reduced price meals. If you receive a letter from us approving your student for free or reduced price meals for the 2021-22 school year prior to the start of school, you do not need to apply. Only one application is necessary as long as all students are listed on the application along with the schools they will attend in our district. **All prior year applications will expire on October 1st, 2021.** If you do not fill out a new application by that date, your student will no longer be reported as free or reduced in our system, unless you submit a new application for this school year. Completed applications may be returned to the school office, the lunch room cashier or mailed to the **Nutrition Services Office at P.O. Box 6278, Saginaw, MI 48608.** Incomplete and/or unsigned applications will be returned. You will receive a letter notifying you as to whether your application is approved free, reduced or denied, along with the reason for denial, within 2 weeks from the date the application is received. If you need assistance with the application, contact the Nutrition Services Office at 989-793-9713.

**ONLINE APPLICATION:** An online version of the application is available by logging into your student's school meal account. (Online

instructions are located on the Nutrition Services website at: [www.stcs.org](http://www.stcs.org), Departments, Nutrition Services.) If you do not have access to a computer, please fill out the free and reduced price school meal paper application for your family.

**PLEASE APPLY** Your student's eligibility for free or reduced price meals also provides the District with much needed funding for instructional and pupil support services. If you are not sure whether your children qualify or whether your children will use the meal program, please apply for free or reduced price meals anyway. Your information is completely confidential and will not be shared without your permission. Every student's eligibility equates to additional funding for the District! **In addition, as mentioned above, if the State decides to continue P-EBT benefits, you will not be eligible in this district unless you have a current year approved free or reduced application on file or received a direct certification free letter from us.**

**MEAL PRICES:** The USDA has passed a waiver for the 2021-22 school year allowing all students one free breakfast and lunch per school day, regardless of meal application status. This includes the breakfast and lunch provided as a "full meal" including milk which meets the USDA required guidelines. This does not apply to "a la carte" or extra items available for students to purchase at the middle and high school level. It also does not apply to just milk purchases for children bringing a cold lunch. The cost of a carton of milk is .60 per carton. The State considers just milk as an a la carte purchase and will not reimburse it as free. Breakfast and lunch menus will be posted on the STCS website under the Nutrition Services link prior to the start of school.

**PAY ONLINE:** If your child will be bringing cold lunch and will want to purchase milk at the elementary buildings you may want to put some money on their account. All breakfasts and lunches at the elementary will be free, so there is no need to add money to their account if they will be taking the full meal. The high school and middle school level will offer additional options to purchase beyond the free meals and we call these "a la carte" items. Students will not be allowed to "charge" a la carte items, they will need money in their debit account, or cash to

purchase these. All enrolled students have a debit account on our point of sale system. All students use an ID card or enter their ID number on a PIN pad when going through the lunch line. You may deposit money into your student's account online with a credit or debit card (includes a \$2.00 convenience fee) or by sending cash or a check to school with your student. The money may be used to purchase milk or, at the middle and high schools, ala carte items. Any balance remaining at the end of the school year automatically carries over to the next year. Online access to your student's account information is available by completing the online access request form at [www.stcs.org](http://www.stcs.org), Departments, Nutrition Services, Online Access Request (under links).

*\*See the Nutrition Services website for the Meal Charging Policy.*

**BREAKFAST IS SERVED AT SCHOOL:** School breakfast will give your child a healthy start to the day. A nutritious breakfast helps students be more alert so they can learn more in class. Breakfast has vitamins and nutrients for a strong and healthy body, and this year it is free!

**SPECIAL DIETARY NEEDS:** If your child has a special dietary need as determined by a physician, we will do our best to make reasonable accommodations. The State of Michigan does require a signed form from your child's physician stating the prescribed diet and/or substitution. This form can be accessed on the Nutrition Services web page at [www.stcs.org](http://www.stcs.org), Departments, Nutrition Services, Special Dietary Restrictions & Needs, and must be on file in the Nutrition Services Office.

We are very proud of the service provided by our department. We offer healthy food choices that meet the USDA's nutritional guidelines for school meals while still making the meals appealing to our students. We offer 1% white and chocolate milk. A variety of fruits, vegetables and whole grain items are served every day. All ala carte and snack items sold to students during the school day meet the USDA "Smart Snacks" guidelines. We are always looking for ways to improve our programs. We look forward to serving your children during the 2021-2022 school year. USDA is an equal opportunity provider and employer.

## AHERA NOTIFICATION

The Swan Valley School District is required by 40 CFR 763.80 to notify all parents, guardians, students and staff of the availability of the Asbestos Hazard Emergency Response Act (AHERA) plan.

Our buildings were first inspected in 1988, and the last three year re-inspection was completed in July 2018.

One copy of the plan is on file in the Principals office in each building and one copy is on file in the Marvin L. Johnson Administration Center. These plans are available for review during normal office hours by any person who has an interest. Personal copies of the plan may be duplicated within seven working days at a cost of 15 cents per page.

Should any questions arise regarding our AHERA Program, please contact the Asbestos Designated Person for our school at the Administration Center, 989-921-3701.

## Swan Valley School District NOTICE OF PESTICIDE USE

Pesticides are periodically applied to school district property as part of the district's pest management program. Parents and legal guardians of children enrolled in the district have the right to request prior notification of pesticide applications to the buildings or grounds.

In order to be notified prior to the application of pesticides, the parent or legal guardian must request and return a "Pesticide Prior Notification Request Form." The form may be obtained from:

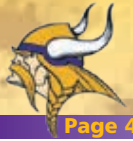

**Swan Valley School District  
8380 O'Hern Road Saginaw, MI 48609 • (989) 921-3701**

Please understand that emergencies do arise and that pesticides may be applied without prior notice to parents or legal guardians. Parents or legal guardians that have requested prior notification, however, will be notified after pesticide application.

Application of pesticides will be performed only by certified or registered applicators where and when required. If a pesticide is applied in a building, students will not occupy the room for a minimum of four hours. At the time of application, a sign will be posted for 48 hours near the building's primary point of entry. When a pesticide is applied to school district ground, the application will not be made within 100 feet of occupied classrooms, and flags will be inserted in the ground to mark the application area.

This notice was given in compliance with Regulation 637, as amended by Public Act 131 of 1993.

## SVMS Summer Enrichment Activities

As part of our mission to combat COVID learning loss and get students reacclimated to “normal school” and activities, SVMS hosted a variety of enrichment activities, including: *game nights, bike club, volleyball, pickle ball competitions, FIRST Tech Challenge robotics and a day trip to Mackinaw City and Island.*

A special thank you to all the teachers that made these activities possible: *Ms. Rose, Mrs. Vasik, Mrs. Blaesser, Mrs. Bishop, Mr. Sullivan, Mr. Stephens, Mrs. Medema, Mr. McLaren, Mr. Brady and Mr. Blower.*

## 8th Graders Visit Greenfield Village & Henry Ford Museum

As our COVID adventure came to a close the 8th grade teachers, with the support of the school board, were able to plan a year end trip to Greenfield Village and Henry Ford Museum for our students.

The day ended with a visit to Fireman’s Park in Troy where our students were able to enjoy some social time outside and dinner from a food truck.

A special thank you to the 8th grade teachers and especially Mr. Erlenbeck for all their planning and hard work to make this event happen.

## FIELD DAY: A New Tradition at SVMS

The students of Swan Valley Middle School had the opportunity to participate in our first field day! The event was a resounding success and everyone who participated had a great time. We look forward to continuing this new tradition into the future.

A special thank you to the 6th grade team, especially Mr. Brady, Mrs. Quellet and Mrs. Bishop for their hard work and planning of this outstanding event.

# HAVENS Annual Fun Day

*We had perfect weather for our Fun Day this year. Students enjoyed participating in field activities and of course some water fun as well! Even Superintendent McRae could not resist joining in the fun!*

# STEM Day

Another annual tradition at Havens elementary is our STEM day. Students participated in hands-on projects throughout this day. This is definitely something our students look forward to each year. It's great to see their creativity and collaboration!

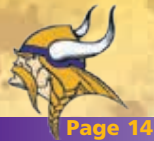

## 3RD GRADE FIELD TRIP

**Roberts Park** – just a short walk from Havens elementary school a fun filled day awaited our 3rd graders.

Their teachers had planned out stations throughout the park. Students participated in things such as volleyball, frisbee, and soccer. The best part, they simply enjoyed being kids and playing with their classmates.

## Summer Fun!

Over the summer, Shields students had the opportunity to participate in a couple of fun social gatherings! The first activity was the Glow Run Movie Night! Students ran laps for glow sticks and then were able to enjoy popcorn and a movie in the high school gym.

Another group of Shields students got to go blueberry picking at Backwoods Blueberry Patch. Students who participated were given a tutorial about growing and caring for blueberries and their bushes. They then were able to pick blueberries to take home. They also received a delicious blueberry snack.

## Parents Plan Fun Surprises!

Thanks to a couple of kindergarten parents who filled around 1,000 water balloons, Kindergarten students had a Water Balloon Battle Royale!

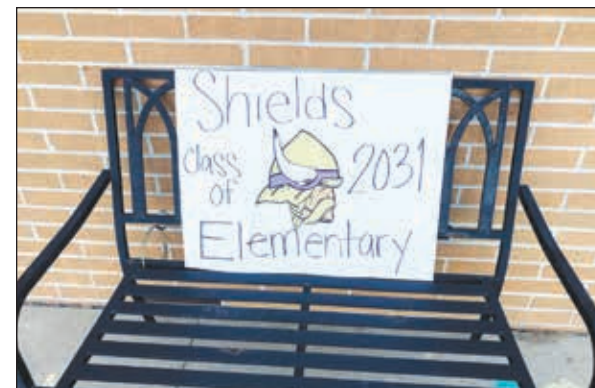

Luckily I was able to stay safe and snap a shot from the roof! (They did try to get me for sure though!)

On the eve of the last day of school, 2nd grade parents snuck on to campus to surprise their students! What students found the next morning was heartwarming.

Students were greeted off the bus or car by chalk drawings, signs and a blowup! Their faces showed how much they truly enjoyed it!

*Thank you to the parents who helped make the last day of school so enjoyable for our students!*

## Hot Air Balloon FUN!

Shields students welcomed the RE/MAX Hot Air Balloon Team on May 21st. They learned history about Hot Air Balloons and got to see the Hot Air Balloon inflate and deflate. Mr. McRae, Mrs. Krantz and Mr. Jennings were lucky enough to even get to fly in the balloon!

## Welcome Havens & Shields New Staff Members

Both Shields and Havens will have new staff this year. Some of the changes are due to shifts made by staff and some from open positions.
