

**H.W.Wilkey Elementary School
Site Based Decision Making Council
Minority Parent Representative Nomination Form**

School councils in schools having eight percent (8%) or more minority students enrolled, as determined by the enrollment on the preceding October 1, shall have at least one (1) minority member. H. W. Wilkey Elementary School has been notified that we have more than 8% minority enrollment. Our SBDM council does not have a minority member, which means that we must hold a special election to elect one.

We will be taking nominations for the position of minority Parent Representative for the 2021-2022 school year from September 13th through September 16th. If you would like to nominate someone or volunteer to serve on the council, please fill out the form at the bottom of the page. Completed forms may be returned at any time before 4:00 pm on September 16th to the nomination box located in the front office at the high school. A ballot will be prepared from the nominations received.

A representative must be a parent, a step-parent, or legal guardian of a student enrolled for the 2021-2022 school year. A representative shall not be an employee of the school or relative (meaning father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, or daughter-in-law) of a school employee.

A representative shall complete a minimum 6-hour training in the process of school-based decision making not later than 30 days after their term begins. Terms for school council members are for one year and end on June 30th of the following year.

Voting will be on **Friday, September 17th from 7:30 AM until 4:00 PM CST**
