Principal's Message

Dear families,

We just finished the first two days of professional development and kicked off the 2021-22 school year! Nothing brings me more joy than welcoming our students to in-person learning after an unprecedented year and a half. Although this year will continue to look unlike previous years, our staff is excited to welcome back our students. Our halls and classrooms are starting to buzz with excitement and creative ways to welcome and engage students.

As you may have heard, we are starting this year with a soft start. This means, we will have student and family conferences September 8th, 9th, 10th. Your student's teacher most-likely reached out to you already to set up a conference. School starts for all students on Monday September 13th at 9:20. During the soft start conference, you will meet with your student's teacher and then we welcome you to walk through our cafeteria/gym to hear and/or gather information from our specialists, counselors, PTSA, Co-Op, the YMCA, etc.

We are working hard to ensure your student can learn in a safe and welcoming learning environment. Our district has developed a comprehensive COVID Family Handbook linked on our website. Within the handbook, you will find the need for all students to wear a mask while indoors at school- we have plenty of extra masks in case your student forgets their mask or needs a new one.

Patty Allen will be back with us as our full time assistant principal. Together, we are excited to meet you and your student, answer questions, and support your student in their learning journey. From all of us at Marshall, welcome to the 2021-22 school year.

Sincerely,

Katy Rudolph
Principal

Every Minute Counts

We are once again asking for your assistance in ensuring your student is in class as much as possible. We also ask for your help in limiting the number of classroom interruptions.
