Due to unforeseen circumstances, we are down to four drivers not five. The remaining drivers and I had a meeting this weekend to put these runs together. We will be running four buses not five on regular routes. This means that all buses start out at 6:30 with the expectation of Bus 7. This will allow us to pick up what would be considered the intown run after regular routes. We ask for your patience and support.

If you have any questions do not hesitate to call Katie Spear Director of Transportation at 485-3556.
