

COVID-19 REPORTING GUIDELINES

All Marysville School District Students & Staff Must Report

For the Health and Safety of Students, School Personnel and Families, the Marysville School District has established a COVID tracking team and system. The team consists of District Nurses and designated COVID response team members, functioning under the guidelines of our local jurisdiction, the Snohomish Health District.

See the above the process for **Reporting Guidelines - Flow Chart**

- 1) Must report-** COVID-like symptoms, exposure to covid person, positive COVID test
- 2) How and who to report to**
- 3) STAY HOME!!!!!!**
- 4) A District Nurse or COVID team member will contact you with directions.**
- 5) Prior to return to school or work - students or staff must meet the guidelines of the Snohomish Health District. .**
