RNESU new employees

09-03-2021, Rutland Reader

BRANDON — Rutland Northeast Supervisory Union welcomes 57 new employees who will be working throughout the district in all capacities. This is a higher than usual cohort of new employees. Federal COVID funds are being used to hire more academic interventionists for the next three years specifically to work with students who may have fallen behind in the last 15 months of school, as well as some coaches and other positions that will help build a support system for students and ensure the nursing, guidance, paraprofessional and custodian staffing needed in the return to in-person learning.

At Barstow: Claire Bronsan, School Nurse; Kim Lake, Paraeducator; Heidi Landon, Teacher, Special Services.
