September 7, 2021

Parents and Guardians,

As the school year has begun, we are excited to have the students back in the building and see the amazing smiles on their faces. We want to remind all visitors to limit time in the building and that everyone must first check in with the appropriate office upon arrival. This is very important in our effort to keep our students safe. If you are simply dropping off an item for a student, we have tables just inside the front doors where you can leave the item. The office will take care of getting it to your student.

In regards to birthday parties in the Elementary classrooms, it works best if parents drop off the items for the party with the office and let the teachers plan the party that day or send the treats to school with the student. If you plan to bring treats for your child, please communicate in advance with the teacher to make arrangements.

The Mound City R-2 School District wants to remind everyone that if their student is not feeling well to please keep them home to help reduce the spread of sickness. Any time your student is not at school, a phone call is required to verify their absence. If there is no phone call or doctors note, the student will be counted as unexcused. If you have any questions regarding absences, feel free to communicate with the appropriate office listed in the letterhead. Stay safe Panthers!

Sincerely,

Korey Miles
