

Bryant Public Schools seeks a Licensed Practical Nurse (LPN) or Registered Nurse (RN) to work on a temporary, independent contractor basis to assist the school district's COVID-19 point of contact efforts. The selected independent contractor must possess a current, active license from the Arkansas State Board of Nursing.

The selected independent contractor would work from 2pm-8pm (M-F). Some weekend work will be required. The selected independent contractor will be paid based upon experience with an applicable hourly rate range of between \$20 and \$30 per hour.

The primary duty of the independent contractor will be to identify close contacts of individuals diagnosed with COVID-19 in order to assist the Arkansas Department of Health in that agency's contact tracing efforts. Additional tasks will include:

- Serve as a district point of contact with the Arkansas Department of Health on all contact tracing efforts.
- Gather information and inform contacts of potential COVID-19 exposure.
- Contact individuals diagnosed with COVID-19 to gather details about each contact of an exposed individual, determine exposure, assess symptoms, refer for testing (when applicable), and provide instructions for isolation or quarantine.
- Provide education about COVID-19 and deliver guidance on minimizing the risk of potential transmission.
- Communicate with designated school district officials regarding positive COVID-19 cases within the school district.
- Maintain confidentiality of health information obtained through the performance of duties.
- Fluency in English and Spanish is preferred but not required.

Interested individuals should send a cover letter, resume and proof of licensure to Renee Curtis by Friday, September 10 at 8am. Materials may be submitted electronically to Renee Curtis at rcurtis@bryantschools.org.
