### **COMPLAINT PROCEDURE POLICY**

### PROCEDURES FOR HANDLING COMPLAINTS ABOUT SCHOOL PERSONNEL

It is the responsibility of the School Board and staff to maintain open attitudes and access to the public when concerns and/or complaints are expressed about school personnel. The most effective school-community relations will be achieved when parents, citizens, or others who have complaints are encouraged to meet directly with school personnel about whom a complaint is registered. Every level of administration is responsible for insuring that complaints are responded to efficiently and, as much as possible, in a manner which will not have a negative effect on the learning environment for students, the reputation of school employees, or school-community relations.

- COMPLAINTS CONCERNING SCHOOL PERSONNEL shall be registered through the
  administrative staff before going to the Board. At the school level, complaints should be made
  first to the staff member, then to the principal, and finally to the district administrator. Complaints
  concerning the superintendent should be made first to the superintendent, then to the president of
  the school board.
- 2. COMPLAINTS OF A GENERAL NATURE should be made to the district administrative offices. They may be made to the district administrator, or to a member of the district staff, depending upon the nature of the complaint. If, after discussing the complaint at a district level, the person or persons making the complaint still do not have satisfaction, the complaint should be presented to the Board.
- 3. No person shall present orally or discuss at any meeting of the Board complaints against individual employees of the Kickapoo Area School District until after such charges or complaints have been presented to the Board, in writing, and signed by the person or persons making the charge or complaint. The Board shall then have a reasonable opportunity to investigate the same and call for discussion.
- 4. Any written complaints regarding a teacher made to any member of the administration by any parent, student or other person shall be immediately called to the attention of the teacher. The teacher shall be given an opportunity to respond to and/or rebut such complaint, and shall have the right to be represented by legal counsel or the KTA at any meetings or conferences regarding such complaints.

### Kickapoo Area School District Buildings and Grounds Committee Meeting Thursday, August 26, 2021 2:30 P.M. Conference Room

### **MINUTES**

### **Call Meeting to Order**

The meeting was called to order by Chair. Earl Wallace. Attending the meeting: Earl Wallace, Janet Matthes, Tricia Clements (committee members), Kevin Bills and Kristi Demeneghi from ISG, Douglas Olsen, Dustin Clements, DJ McNamer, and Kristi Deaver.

Continue Reviewing Colors, Materials, and Mechanicals for Pool Area Project Kevin Bills and Kristi Demeneghi from ISG made the revisions to the interior finishing design for the pool project and presented them to the committee. These are the final interior finishing for the project (see attached).

### **Any Other Business**

Project design concerns from board member Isaac Wallace were reviewed and discussed. Superintendent Olsen had addressed several of his concerns with Isaac prior to the meeting. The suggestion to mirror the showers and doors was felt to be a very good suggestion and it was modified on the drawings. Isaac's other concerns were addressed, and there are reasons for the way things are configured. Isaac's project concerns are attached.

There has been a request to purchase the old wood lathe that is unused and has been stored in the shed for over 10 years. Ken Krings, Tech Ed teacher, has put a value of \$200, additionally there is a table saw that Ken believes is worth 1,500 that he would like to sell.

Replacement of the football field lights with LED lighting was discussed. This would be costly in entirety but could be done in sections over fiscal years. There are costs associated with wiring that will be incurred no matter what the district decides to do. Mr. Olsen will have DJ put together a summary of anticipated costs to continue with the current light configuration, and a cost to move to LED and will bring this discussion back to a future Buildings and Grounds meeting.

### **Adjourn Meeting**

Meeting adjourned at 4:30 P.M.

Committee Members: Earl Wallace, Chair Tricia Clements Janet Matthes
