

Dear HNMS Parents,

As this school year begins, we would like to thank you for the positive spirit your middle-school student has shared with us. It has been a great year thus far!

One of the ongoing goals of Harrisburg North Middle School is to provide opportunities for our students to practice responsibility, respect, and acts of good citizenship. As our community and nation faces new challenges, we believe that it is essential to instill in our students the desire to help each other in any way possible. As such, we are excited to announce the 12th Annual Harrisburg Middle School Community Service Day on **September 16th, 2021**. Groups will be volunteering in two different time periods: 9:00 - 11:30 or 12:00 - 2:30. Please check with your child's advisory teacher to see your child's assigned time.

We have been working on planning a day in which our students have the opportunity to go out into Harrisburg and the surrounding area to give a little back. We will be working with groups such as the Carroll Institute, the Butterfly House, the Girl Scouts, the Humane Society and many more to not only serve our community, but to also teach our students the importance of helping out a neighbor.

As you can imagine, a day such as this requires patience, planning, and, most importantly, parents. With over 750 students in the middle school, we are actively seeking **parental volunteers** to join us on **September 16th**. We would like to have a minimum of two **parental volunteers** for each advisory, but we will gladly welcome any that would like to join us.

If you are interested, please take a moment to fill out the underlying form and send this back with your student to school as soon as you can. We look forward to hearing from you. Thanks for everything you do to make our school a successful place for the students of Harrisburg!
