Re: AP Exam Registration

Taking Advanced Placement (AP) exams is an important part of all AP courses. Lakes Community High School strongly encourages all students enrolled in an AP course to take the exam in May. Scoring well on the AP exam can often earn students college credit, saving a significant amount on tuition. Specific information about exam dates, course credit, and placement information for individual colleges and universities, can be found at [www.collegeboard.org](http://www.collegeboard.org).

AP exam registration is currently taking place through the student AP Classroom online account and will close on **Monday, November 8, 2021**.

**Registration is not finalized until BOTH steps listed below are completed.**

1. Students log into AP Classroom (<http://myap.collegeboard.org>) and select **YES** for each course exam individually.
2. Students will need to submit payment for the exam either through their RevTrak account or by bringing a check made out to Lakes Community High School to the main office. Payment can be made once the fee appears in RevTrak.

**Information regarding registration and payment:**

- Students and families requesting financial assistance should contact Mrs. Jori Bowen, [jori.bowen@chsd117.org](mailto:jori.bowen@chsd117.org)
- Students and families will incur all extra costs above and beyond the initial testing fee. This includes, but is not limited to: late fees, cancellation fees, and “no-show” fees.
- Late registrations between November 8 and March 9 must be made in person with Mrs. Bowen.
- If your student is ill on exam day, a doctor’s note must be provided to Mrs. Bowen within 24 hours of the testing time in order to be eligible for an alternate test, AND the guardian should speak with the attendance secretary indicating that the student will not be in attendance that day. Please **DO NOT** leave a message.
- **NEW this year: There will be a \$40 fee from College Board for any exam that was ordered but not taken by a student.**
