

Online Enrollment Information

2023-2024 school year

Enroll at the Wengage website, the site you log into to check student grades.
There is also a link on the school website.

1. <https://ok.wengage.com/Glencoe>
2. Enter the username and password you use to login for grades. If you don't know it you can call the elementary office at 580-669-2254, message Kimberly Clark at 405-714-0638, or Lindsay Bailey at 405-742-2851.
JH/HS students contact the HS office at 580-669-2261
3. Click on - Student Records Portal
4. Click on - Enroll Student - 2023-2024
5. Fill out and submit all required documents for your student.

If you have more than one student to enroll you will complete the enrollment process next to each student's name. If you have a new PreK student, click on the add new student link, **ONLY** if they are brand new to our school.

Brand New App - Information on the back

Enrollment is open and you can enroll now for the next school year. Enrolling early will allow us to provide help before we are out for summer. We will host enrollment night before school begins in August. Enrollment night will be July 25th, in the student's new classroom. More information will be provided about enrollment night soon.

Wengage now has an app that can be used for enrollment and to check grades. The app is available for iPhone and Android. You choose Glencoe School and login with your current login information. Again, this information can be gotten by contacting your school office.

★☆☆☆☆ 1

OPEN

Tips:

*Everyone is welcome to come to the school from 8:30-3:00 and enroll using our computers.

**Keep your login information! You will use this login to enroll every year and to check your student's online grades (any time you choose)
