

EAST FELICITATIONS

A Celebration of our #HomegrownPride in East Feliciana Public Schools

One of the six priority areas in #HomegrownPride, our five-year strategic plan, is engaged families and community. In order to ensure our students remain safe, we use the expertise of our partners with the East Feliciana Parish Office of Homeland Security and Emergency Preparedness (EFPOHSEP) as we make decisions about school operations. Based on this guidance, please note the following:

- All East Feliciana Public Schools will be closed Monday, August 30.
- All students in attendance at school today should have received a paper work packet to use for at-home learning should an extended school closure be necessary next week.
- We will use our automated call, email, and text system to provide you with updates regarding school operations beyond Monday. We will also give updates via [Facebook](#), [Instagram](#), and [Twitter](#) where possible.
- We encourage you to follow all guidance from local emergency preparedness officials! EFPOHSEP will also communicate any safety guidance to local news media.

A Look Ahead

Labor Day - No School
Monday, September 6

Homecoming - No School
Friday, October 1

Professional Development Day - No School for Students
Wednesday, October 13
