6 Use of Transportation Funds During Periods of Emergency Declaration

7
8 Pursuant to guidance issued from the Office of Public Instruction, the Board of Trustees
9 authorizes the following expenditures of its FY20 budgeted transportation funds that are in
10 addition to traditionally authorized expenditures. The expenditures below are, as noted in OPI
11 guidance, transportation services which provide instructional services to students.

- 12
13
 - 14 • Transportation of food and meals used in nutritional programs.
 - 15 • Purchase of equipment to ensure safety in food transportation.
 - 16 • Providing accessibility to student services for remote learning.
 - 17 • Providing instructional materials to students, including but not limited to internet service
18 adequate to allow students to effectively access curriculum during periods of school
19 closure.
 - 20 • Cost of instructional materials, supplies, and software licenses.
 - 21 • Costs of technological equipment needed for offsite instruction/correspondence study
22 purchased by the school district and loaned to students without such equipment.
 - 23 • Cost of correspondence study.
 - 24 • Costs of providing services to students with an IEP or a plan adopted pursuant to section
25 504 of the 1973 Rehabilitation Act.
 - 26 • Costs of time off or repurposed time for staff normally paid from the transportation fund.
 - 27 • Costs to contractors of transportation services.

28 Cost Guidelines

29
30 The Board of Trustees authorizes the Superintendent to exercise his/her professional judgment
31 and discretion as to the necessity, quality and amount of all expenses referenced below.
32 Aggregate costs of items below are to remain within the budget limits adopted by the board of
33 trustees for the FY20 transportation budget, including any budget amendments adopted by the
34 board of trustees prior to the completion of FY20.

- 35
36
 - 37 • Any costs consistent with costs under normal operation, including costs referenced in any
38 contract to which the district is a party.
 - 39 • Actual costs of delivering meals to students at locations authorized by any and all waivers
40 of regular rules for school nutrition programs that have been adopted by the United States
41 Department of Agriculture or the Office of Public Instruction.
 - 42 • Any costs consistent with and necessary to comply with an IEP or section 504 plan.
 - 43 • Actual costs of equipment, software and service necessary to bridge digital divides or
44 provide a quality learning environment for students, including:

- Equipment necessary to provide wi-fi in a student's home, including any equipment qualifying for discount under the federal E-Rate program.
- Equipment necessary to allow students to effectively participate in offsite instruction with an emphasis on ensuring opportunities for real time interactions, collaboration, and effective engagement in the learning process by students.
 - Equipment purchased under this section may include any combination deemed necessary and appropriate by the Superintendent, including but not limited to mobile devices, tablets and laptops.
 - Equipment purchased under this section shall become and remain the property of the District and shall be provided to students through a loan/checkout service developed by the Superintendent.
- Software to ensure a safe and appropriate online learning experience by students of the district.
- Internet service at an adequate bandwidth to ensure full and effective use of instruction delivery and interaction methods employed by the district as part of its offsite learning program.
 - If there are multiple internet service providers in the community, the board authorizes the Superintendent to choose either a single provider or to allocate/rotate selection from among all providers in the community meeting minimum bandwidth and other safety and quality standards deemed necessary and appropriate by the Superintendent.
