5 School-Support Organizations

6  
7 The Board recognizes that parent organizations are an invaluable resource to District schools and  
8 supports their formation and vitality. While parent organizations have no administrative authority  
9 and cannot determine District policy, their suggestions and assistance are always welcome.  
10 Membership in these organizations will be open and unrestricted.

11  
12 Booster clubs and/or special interest organizations may be formed to support and strengthen  
13 specific activities conducted within the school or District. All such groups must receive the  
14 approval of the school principal, Superintendent, and the Board in order to be recognized as a  
15 booster organization. Staff participation, cooperation, and support are encouraged in such  
16 recognized organizations.

17  
18 Fund-Raising by School Support Groups

19  
20 Fund-raising by school support group such as booster clubs, parents councils, and the like is  
21 considered a usual and desirable part of the function of such groups. Specific fund-raising  
22 activities must be approved in advance by the principal or designee.

23  
24 The principal or designee shall approve all expenditures of such funds. All such funds raised by  
25 school adjunct groups are to be used for direct or indirect support of school programs. Equipment  
26 purchased by support groups and donated to the schools becomes the property of the District and  
27 may be used or disposed of in accordance with District policy and state law.
