How to Download CrisisGo

Apple iOS

1) Tap on the "App Store" from your Apple Device.

2) Select search from the bottom right hand corner of the screen.

3) In the search box, type in "Safe2SpeakUp."

4) Tap on "GET" to begin the download.

5) When the download is complete, the CrisisGo app will appear on your screen.

6) Tap on Safe2SpeakUP and enter your login information.
