Georgia Milestones End of Grade (grade 3-8) and/or End of Course (Grade 9-12) Individual Score Reports

Parent's can access their child's End of Grade and End of Course Individual Score Reports by logging into PowerSchool Parent Portal. If you do not already have a PowerSchool Parent Portal account, please contact your child's school.
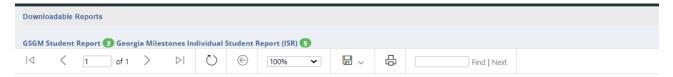

1. Click on the SLDS Portal button at the bottom of the PowerSchool Parent Portal list on the student's page from a computer (SLDS does not work from the app):

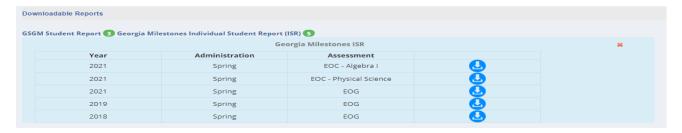

2. After clicking the SLDS Portal button, the Parent Portal Welcome Page will open. If you have access to more than one child in the district portal, you will see a dropdown box containing the name of each child. Then you will click on Performance. (*Dundee School System is the school system for the training site*).

3. Once on the Performance Dashboard, click on the Downloadable Reports that have a number in a green circle to display the Individual Score Reports for your child.
