

Newell Irrigators After School Activities

Dear Parents,

Welcome to the Irrigators After School Program for all students grades Preschool-12! We are very excited to have the opportunity to serve you and your children. You may use our program on a consistent basis or simply as a drop-in option. On Tuesdays and Thursdays from 4pm–6pm, your child can participate in a number of activities, enjoy a snack, and receive homework help.

Some of the exciting activities we plan to offer include opportunities to reinforce classroom skills, makerspace time, book clubs, STEAM projects (science, technology, engineering, art and math), physical fitness activities, and short workshops that include music, art, drama and robotics. ACT prep will be coming for high school students on select Fridays, watch for announcements.

Our schedule will be as follows daily

3:45-4:00 – playground/gym activities/break time for MS/HS students

4:00-4:15 – snack time

4:15-5:15– homework , book clubs and enrichment

5:15-5:45– games, crafts, STEAM projects, and social time (Homework time continues for MS/HS as needed)

5:45-6:00 – playground time (weather permitting) or movement activities

If you would like to sign your child up, please fill out the attached application and return it to the school office.

If you choose to use the drop-in option, please send a note to your child's teacher or call the school office by 12:30 PM that day asking that your child attend the After School Program. Please return the registration form by Wednesday, September 8th if you would like your child to participate at any time this school year. The form will make it possible for your child to drop in on any day.

Pick up is anytime between 4:00-6:00 pm. If you have any questions, or if you would like more information, please do not hesitate to contact us at 605-456-2393. We look forward to seeing your children at Irrigators After School.

Sincerely,

Mara Carrier
