Free and Low-Cost Health Care

If your children get free or reduced price school meals, they may also be able to get free or low-cost insurance through Medicaid or the West Virginia Children’s Health Insurance Program (WVCHIP). Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

If you would like information about WVCHIP or Medicaid, please call toll-free anytime at 1-877-982-2447 or visit www.chip.wv.gov. You may also apply online at www.wvroads.org.

Privacy Act Statement: This explains how we will use the information you give us.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
