## Fred Moodry Intermediate

### Infinite Campus

Parents, did you know you can get up to the minute grade updates? Signing up for Infinite Campus ensures that you are able to see your childs' grades and assignments.

### From the Kitchen

The Fred Moodry kitchen crew would like everyone to know that the menu may change due to product availability. We appreciate everyone being flexible with the menu and will do our best to keep to the menu.

### 6th Grade Yellowstone Updates

We are starting planning for our Yellowstone trips. That being said, we are also aware that the trips may be cancelled at any time. But we're thinking positively and want to get our ducks in a row. We will start the pasty fundraiser again, as well as selling snacks and Pizza lunches.

October 6 we tentatively set a meeting for the first two trips. We will send a letter home with the gear, the trip dates, the expectations, and COVID precautions.

### Nurse's Nook

Greetings from Nurse Heidi! I hope your students are enjoying their return to school so far this year.

Thank you in advance for keeping your student home if he/she has a pending COVID test or has COVID-like symptoms (*persistent headache, exhaustion, vomiting, new cough, sore throat, loss of taste or smell, or a fever*). Also, thank you for keeping your student home for general illness symptoms (*untreated eye infections, rashes, or head lice; and diarrhea, vomiting or fever*).

Exposure prevention is a key to reducing disease transmission and keeping our kiddos in school. As Benjamin Franklin famously said in 1736, "**An ounce of prevention is worth a pound of cure.**"

That sentiment still rings true today.

May you each enjoy a healthy school year!

For questions or concerns specific to health services, you can reach the school nurse at:
