High School Happenings

SENIORS

The end of the year is such an exciting time for seniors, we look forward to several end of year celebrations including:

The Last Walk: June 12th

The Senior Picnic: June 13th

Graduation: June 22nd

Please make sure your

permission slips are turned in for both the last walk and the senior picnic as soon as possible! You can pick those up in the High School Main Office. A reminder to anyone attending prom, there is a MANDATORY Stop DWI presentation in the auditorium June 13th at 8am.

Seniors must let Mrs Barber, the counseling office secretary, know information on scholarships they were awarded if you want the information in the graduation program. Your school counselors are not notified of scholarships that were awarded by colleges, employers and other outside of the school agencies, so please let us know what you have earned. Also, Mrs Barber will need to know your final decision on where the final transcript, which verifies your graduation, is to be sent. Please take care of this if you have not already done so.

JUNIORS

As you think about where you would like to apply to college, visiting college campuses is a great way to get a feel for what college is like and whether a particular campus will be a good fit for you. The summer between your junior year and senior year is a great time to visit potential colleges. Have an open mind before you go and objectively evaluate all the aspects of the college. It is smart to jot down things you liked or did not like immediately after your visit. Check out college websites to see if there is a summer open house or to schedule a visit.

gowns and more. Just say it is for the THS Sophomores!

The sophomores have a new basket raffle. Tickets are \$1. Prizes include a flash drive, Dungeons & Dragons characters, an apple keyboard, novels, Save Around Buffalo coupon book, Heroes V PC expansion pack, and more ... **The winning ticket will be drawn June 6.**

FOSTERING AN INCLUSIVE COMMUNITY at TMS

Mrs. Strong and Mrs. Fendrick's Middle School/High School classrooms have both been collaborating with the 5th grade classes for "Social Club". During our last period of the day, the 5th grade students socialize with their peers in both classes playing games like Guess Who, Connect Four, Trouble and Sorry. All classrooms

have enjoyed building relationships and new friendships, working together and taking turns. It has been wonderful to see how this one period has helped support connections with our special education and general education students and foster an inclusive community!

Cereal Donation Project

Students across the district have collected Cereal Boxes for the Cereal Drive and are currently calculating the totals while sorting, tallying, graphing the brands and number of boxes. Thank you to all who have donated!

PE Monthly Spotlight

Cole Keleman lets the frisbee fly playing Kan-Jam & Jazmin Soliz tosses a bean bag in a game of Corn Hole.
