

WSD Diversity Statement

The Wahluk School District complies with all federal and state rules and regulations and does not discriminate on the basis of race, religion, creed, color, sex, sexual orientation including gender identity or expression, national origin, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability, age, or honorably discharged veteran or military status. This holds true for all programs and services. The District provides equal access to the Boy Scouts and other designated youth groups. The District offers classes in many career and technical education program areas under our open admissions practice. Specifically, our High School offers admissions based on selective criteria in programs like the Teacher Assistant (TA) program through a separate application process that is non-discriminatory.

For more information about the application process and particular CTE course offerings, contact the CTE Director or School Counselor at (509)932-4477. Lack of English language proficiency will not be a barrier to admission and participation in the career and technical education programs. Inquiries regarding compliance and/or grievance procedures may be directed to the school district's Equity and Civil Rights at lleitiz@wahluk.net; Title IX Director at jhaak@wahluk.net; Section 504/ADA Coordinator, [at gcalaway@wahluk.net](mailto:gcalaway@wahluk.net) or (509)932-4565.
