

WAHLUKE SCHOOL DISTRICT NO. 73
GRANT AND YAKIMA COUNTIES, WASHINGTON

Resolution 01-2023
DISPLAYING IMAGES IN SCHOOLS

WHEREAS, our country is experiencing turbulent times regarding controversial political and social topics; and

WHEREAS, those topics can be divisive and lead to contention and disruption; and

WHEREAS, the School Board desires to avoid contention, distractions, and disruptions in the school and classroom.

NOW, THEREFORE, the School Board directs the Superintendent to provide school staff with the following memo:

The School District allows teachers to decorate their classrooms subject to the approval of building or district administrators.

To avoid unnecessary distractions in our classrooms and schools, teachers are not allowed to decorate their classrooms with materials that could cause disruption in the school and classroom. Such materials include, but are not limited to, the following: partisan political materials, discriminatory materials, religious materials, and materials related to divisive social topics. Additionally, only the American and Washington State flags may be displayed in classrooms; however, flags related to the curriculum a teacher is teaching may be displayed with administrator approval.
