

## *A Message From The Hermon Middle School Guidance Office*

---

Like so many of you, remote learning is a reality we hoped we would not have to face this year. The good news is that we are better prepared, more knowledgeable, and ready to take this on! We continue to be ready to support you and your students in any way that we can. We are working just as much as we would be during a normal school week—just virtually!

### **How can your school counselor/school social worker help during remote learning?**

- You or your student can set up a virtual meeting through Google Hangouts to discuss any academic or social emotional concerns
- You can access us by email or phone:

Kara Kitchin, social worker: 848-4052/[kara.kitchin@schools.hermon.net](mailto:kara.kitchin@schools.hermon.net)
