Hello HMS Families,

Each year, students in English learner programs take the ACCESS for ELLs language proficiency test. The test measures academic English language proficiency for students learning English in our school and throughout our state. This letter is to inform you that your student will be taking the WIDA ACCESS test on January 24th, January 26th, and February 7th. It is crucial that your student is in attendance and on time to school those days. The test has 4 separate sections, and will be split up accordingly.

Teachers in our school use this information to help them make decisions about instruction for your child. Teachers also use these test scores to monitor the progress your child makes toward English proficiency.

Please contact the school if you have questions about the ACCESS for ELLs test.

Sincerely,

Kimberly Fabian
