

Student Council News

February 2023

HMS Student Council worked very hard at preparing and hosting a fundraiser for the American Heart Association. Kennedy Stephens stood as chairman for the AHA committee under the direction of StuCo President Slone Zygmunt and Sponsor Mrs. Mocabee. Kennedy was responsible for directing her committee to formulate a schedule for sales, communicate with the Media Team for posters, to design, print and cut out over 500 heart grams, sort and deliver grams as well as create a student player list for the Student vs. Staff Dodgeball game. With a 3-0 victory, Students took the win in this year's game! Student council raised \$1,142.40 through collecting over 400 dodgeball tickets, over 600 heart grams sold and \$66 dollars raised in an 8th grade teacher 'throw down'! Great work, Student Council!"
