For the 2022-2023 school year, Highland Middle School will be providing the 6th grade Student-Athletes with an opportunity to play Intramural Basketball. The program will run immediately after school from 3:30-4:30 pm and consist of 5 sessions. The students will be playing 3-on-3 and 5-on-5 games against each other, practicing fundamental basketball skills, and participating in fun competitions. Each of these events will be supervised by Coach Matt Bugajski and Coach Kylie Bugajski. Please wear proper basketball attire (t-shirt, shorts, gym shoes). You do NOT need a physical on file to participate. Parents, please pick up your child at **4:30 pm sharp** in the circle drive. Below are the dates for the sessions for both the boys and girls.
