

Wayne County Community Wi-Fi Access Points

(Revised September 7, 2021)

To assist families that do not have home Internet access, the Wayne County School System is pleased to announce several options for students to meet with their teachers online and complete their distance learning work:

SCHOOL SITE EXTERIOR WI-FI

All school sites have exterior Wi-Fi points that will allow students to access Internet near the front of the school or visitor parking area. School-owned devices such as Chromebooks will connect automatically to the Guests network and no password is needed. Internet access is available 24 hours a day.

WI-FI BUSES

The school system will deploy up to 18 Wi-Fi buses throughout the community Monday through Thursday, beginning on September 7. Buses will park at the sites below from 9:00 A.M. to 11:00 A.M. so that students can access the Internet and complete online work. School-owned devices such as Chromebooks will connect automatically to the School Bus network and no password is needed. Buses will continue to be at the designated sites as long as the school system continues in the Distance Learning model. *Please note that school exterior Wi-Fi will be much faster than bus Wi-Fi if there are several people connecting at the bus sites at the same time. This is due to the bus Wi-Fi running over cellular networks.

HOME INTERNET SERVICE FOR LOW-INCOME FAMILIES

Mr. Adnan Alam, owner of Jesup Wireless (212 S. 1st St.), will provide home Wi-Fi service to students and families that meet low-income guidelines (i.e., SNAP, food stamps, free-reduced lunch, government housing). Once one of these criteria are met, Internet service is provided at no cost. For further information, contact Mr. Alam at 427-4011.

 - Children must be accompanied by an adult at all times.
- First Baptist Church – 185 S. Brunswick St.

At First Baptist Church of Jesup, we understand that, during this most unusual time, we all need to pull together as a community to help each other. As school resumes virtually on Tuesday, Sept. 7, we’re offering two options to those in our community who may need reliable WiFi access to complete their assignments:

Option 1

Monday – Thursday, 9:00 AM – 4:00 PM, students who are chaperoned by a parent or legal guardian over the age of 18 can use our space to complete their assignments. Please come to

our office entrance and one of our staff members will show you a place you can use. Again, students must provide their own Chromebook/Computer, school supplies, and snacks (if needed).

- **Option 2**

Our Guest Wi-Fi network is available anytime from our rear parking lot. Should you need Wi-Fi access after-hours, feel free to park in this lot and use the posted information to sign on to our network.

First Baptist Church of Jesup is located at 185 S. Brunswick Street. If you need more information give us a call at (912)427-4239.
