## FIELD TRIPS

I understand that field trips and excursions may be taken during the school year for educational purposes and that my child may go or remain in school, depending upon my wish. Unless I so advise the teacher in writing in the case of a particular proposed trip, it is my desire that my child shall take such excursions and field trips. It is understood that I hereby release the teachers and principal of the school from liability for any injury my child may sustain on such trips or excursions and agree to hold said teacher and principal blameless, beyond exercise of due care and caution, in the event of any such injury. I understand that all rules and regulations governing student conduct remain in effect while my child is on the field trip and that my child must be dressed properly and protected appropriately for the environmental conditions.

## TECHNOLOGY AGREEMENT (IJNDC and IJNDC-R)

As the parent/guardian of this student, I have read Aberdeen School District Acceptable Use Policy for Technology Resources (IJNDC and IJNDC-R). I understand that this access is designed for educational purposes. The Aberdeen School District has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the Aberdeen School District to restrict access to all controversial materials and I will not hold them responsible for materials acquired on the network. I also understand that the Aberdeen School District will do its best to provide error free, dependable access to the computing resources associated with Internet use. However, the district cannot be held liable for any information that may be lost, damaged, or unavailable due to technical or other difficulties. Further, I accept full responsibility for supervision if and when my child's use is not in a school setting. I understand that by signing this agreement my child is granted permission to use the Internet during his/her attendance at the building identified above. In order to withdraw Internet use permission, I must submit written notice to the building principal.

## RELEASE OF DIRECTORY INFORMATION

Each year schools in Aberdeen maintain school directories that list student names, addresses, and phone numbers. This information is available to public access upon request. Types of information that may be disclosed as directory information include: student's name, degrees and awards received, address, most recent previous institution attended, phone numbers, participation in officially recognized sports, activities, date and place of birth, dates of attendance, major fields of student, e-mail address, class schedule, full or part time status, and photograph. Under PL 107-110, Section 9528 (a) (2), a student or parent of a student has the right to prohibit the release of the student's personal data which the school would otherwise supply for military recruitment. Under "No Child Left Behind", all schools that receive federal funds must give military recruiters the same information they provide to colleges so one cannot be restricted without the other.
