

# Updating Information in Parent Portal

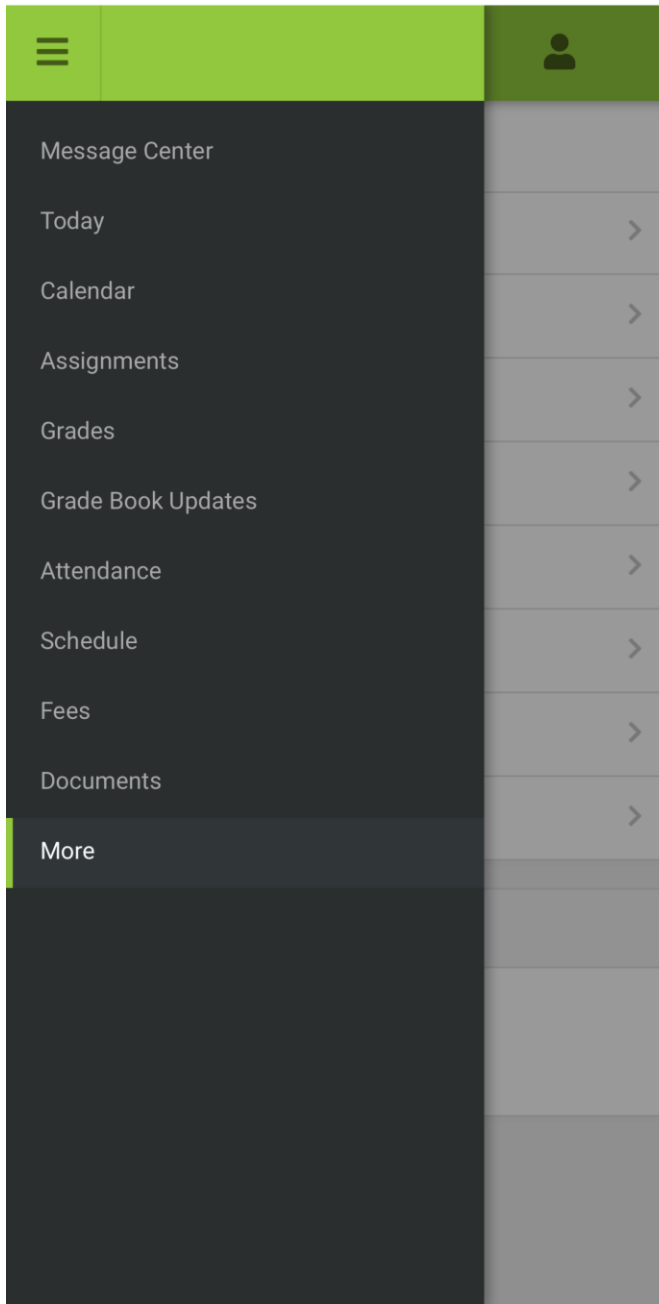

## Log In to Parent Portal

Click Hamburger Button in top left corner.

If you cannot remember your login information please call your students school.

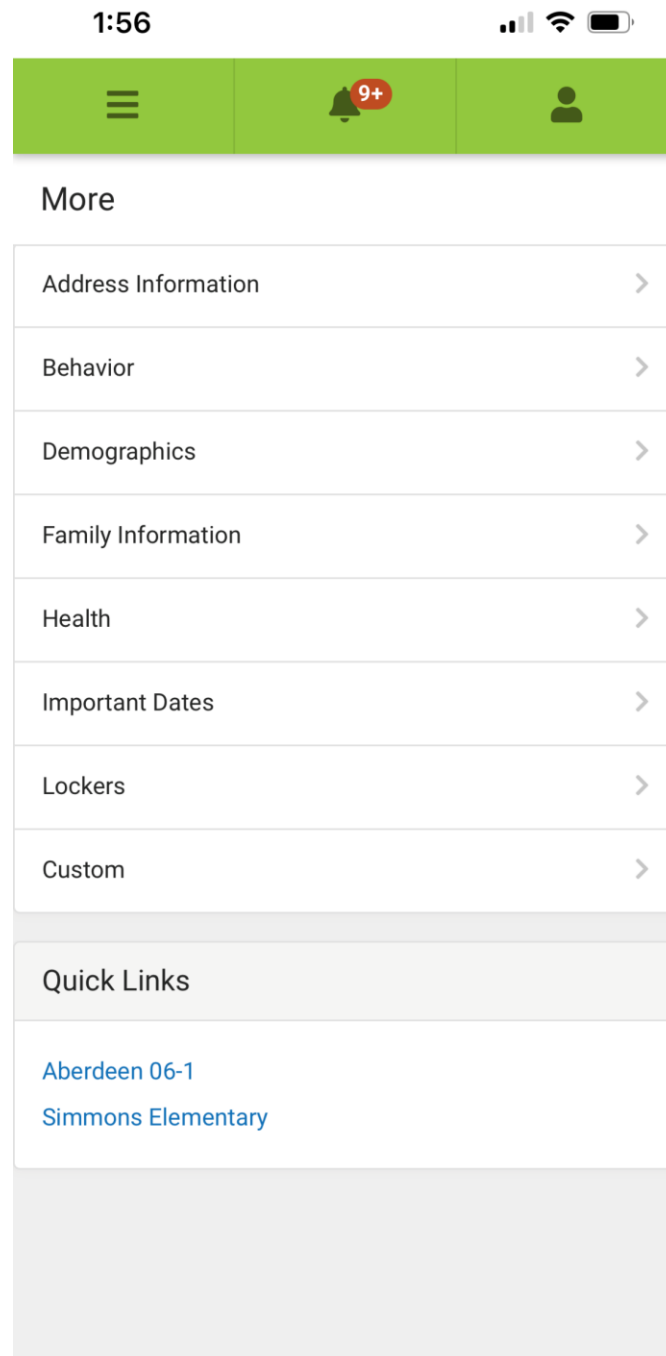

Select More from the Dropdown Menu.

This is also where you can check grades and fees.

Your primary contact phone number is in address information. This is the number used in case of an emergency so verify it is correct.

Email Addresses and Alternate Phone numbers are in Family Information.

Updating is not instant. It will take time after you click update.
