Mock Interviews New

We need YOU! It's Mock Interview time on **Thursday, November 3**, from **8:55 to 1:25**. [Here](#) is how you can help.

Math Learning Center New

Does your student need help with math or just have a question? Please encourage them to visit the Math Learning Center during lunch periods in the following rooms:

4th- C322

5th- C317

6th- C316

AP Exam Registration

Lakes Community High School strongly encourages all students enrolled in an AP course to take the exam in May. Scoring well on the AP exam can often earn students college credit, saving a significant amount on tuition. Specific information about exam dates, course credit, and placement information for individual colleges and universities, can be found at www.collegeboard.org.

AP exam registration is currently taking place through the student AP Classroom online account and will close on **Monday, November 7, 2022**. All students in an AP class are automatically registered for the AP exam and assessed the fee in RevTrak. **If your student does not plan to take the AP exam, do NOT pay the exam fee in RevTrak.** Students that pay the exam fee but decide not to take the exam after the November 7 deadline will be assessed a \$40 fee by College Board.

Please contact Sophia Liarakos, sophia.liarakos@chsd117.org, with questions.

Lunch Balance in Infinite Campus - NEW

We have a great new update in the Infinite Campus portal. Students and families can now see the student lunch balance. Log in and go to MORE followed by LUNCH BALANCE. This is updated nightly.
