

Antioch Rotary Scholarship Foundation, Inc
PO Box 35
Antioch, IL 60002

January 2023

Dear Scholarship Applicant:

Thank you for taking the time to investigate scholarship opportunities provided to students in the Community High School District 117 attendance area by the Antioch Rotary Scholarship Foundation, Inc. The only goal of the Foundation is to raise and invest money for the purpose of providing scholarship assistance to local students to pursue educational opportunities beyond high school.

Our Scholarship Foundation has been providing assistance to students graduating from District 117 high schools, as well as from private and parochial high schools located within the attendance area of District 117, for many years. Our objective is to provide assistance to students attending post-secondary institutions of higher learning whether at local community colleges, state universities, private colleges and universities or vocational and trade schools. Our intent is to assist as many students as possible with monetary awards to offset the cost they and their family will face at the post secondary school education level.

All members of the Antioch Rotary Club have become Rotarians because they have chosen to volunteer their time, talents and energy to make our community, state, nation and world a better place in which to live. Consequently, we look to provide scholarship assistance to students who have a mission to in some way serve their community, state, nation and world in order to improve the quality of life of all people. If you are one of these students, I encourage you to complete and return the attached scholarship application.

All completed applications **must** be returned to the guidance office at your high school **no later than March 1, 2023**. Members of the Antioch Rotary Club Scholarship Committee will review all applications. Following review of the applications a number of applicants will be invited to interview with the Scholarship Committee. The Committee will make the final determination as to who will be awarded scholarships.

Should you have any questions regarding the completion of the application or about the process of selecting scholarship recipients you may contact me at 847-738-2526.

I look forward to receiving and sharing your completed application with Scholarship Committee.

Very truly yours,

Sue Ryan, President
Antioch Rotary Scholarship Foundation, Inc.
