

**\$129 MILLION+ IN COLLEGE SCHOLARSHIP OFFERS THIS YEAR!
AND SO MUCH MORE!**

Our students received a combined **\$1,195,500** of those tuition scholarships.

Make sure to cheer on the students below who will be representing Lakes Community High School and competing for top prizes at the 2023 Illinois High School Art Exhibition (IHSAE) hosted by [Art ConnectED](#). These students are selected across 8 different categories or from submitted scholarship portfolios.

The IHSAE Main Event is on Sunday, April 23rd, bringing the best student artists from 100 Illinois, suburban, public and private high schools to compete and celebrate the power of art in their lives. All at the [Bridgeport Art Center](#). Mark your calendars!

The IHSAE features several unique programs for high school art students and teachers.

[Digital Galleries](#) Coming Soon

The Northern Regional Exhibition: a "Best of the Best" show featuring over 500 works of art across 8 distinct categories competing for prestigious awards. The students representing our school in this exhibition are:

Stephanie Beley, Painting

Nell Cichon, Drawing

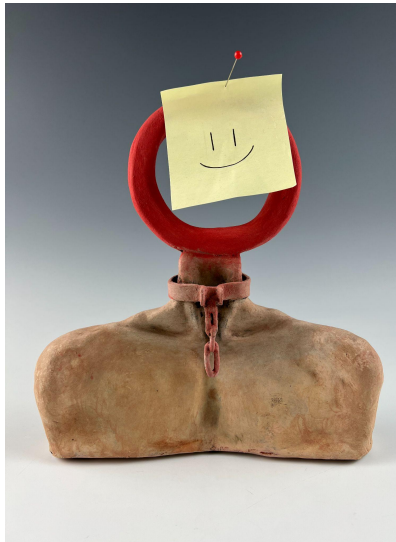

Brayden Hoffman, Sculpture

Angel Overlin, Pottery

The Senior Scholarship Exhibition: will exhibit some 300+ senior artworks and recognize scholarship offers totaling over \$129 million dollars on top of other prestigious awards. The students representing our school in this exhibition are:

Emily Hedsund

Daniel Kabanov

Ari Miers

The Early College Program Exhibition: will showcase approximately 40 underclassmen awarded life-changing scholarships to summer college experiences. The students representing our school in this exhibition are:

Gisele Muzones

The Art Throwdown is an Art Competition that allows students to showcase their creative talents in front of a live audience. **Gisele Muzones** will be representing our school in the **Drawing Challenge** during the event.

About ArtConnectED: *Started in 2013 with the IHSAA, now Art ConnectED is 100% powered by teacher volunteers and has grown out of the passion they bring to making a difference for students, and has since facilitated \$620+ million in tuition scholarship offers to more than 3,000 students. Art ConnectED advocates for the power of art with exhibitions and other incentives for creative exploration and connections to innovative careers.*
