

What is PowerSchool?

PowerSchool is the administrative system that Klawock City School District uses for attendance, grades, student demographics, enrollment and more.

Parents are encouraged to have their own account to track their students performance including checking grades, attendance, and assignments

Go to: <https://klawock.powerschool.com/public/> to log in

Contact Registrar Teresa Fairbanks by email, secretary@klawockschool.com with any questions

You can access PowerSchool from our website: klawockschool.com

Download the app for
Android or iPhone users
Use the school code or by click
"Where's My District Code?"
