21CSLA Mid-State Regional Academy

Teacher Leader Community of Practice

for Small School Districts

OVERVIEW

This on-line academy will explore the intersections between teacher leadership and equity. It will introduce attendees to key leadership questions in education, such as:

- What are the purposes of schooling in a diverse and ever-changing technological nation? How do issues of gender, race, ethnicity, class, and inequality impact your leadership and the adjustments you need to make to improve your leadership as an equity champion?
- How thinking partners and utilizing best practices can help you achieve your goal of closing the achievement gap.
- How to take action to address educational inequity in your school community by researching a problem of practice.
- What role should teachers and school leaders play in fostering justice and equity?

WHEN & WHERE
