Q&A

Who is this event for?

Everyone! The morning will include an award ceremony for those students who won the at the STEM Expo, so if your child was not in the Expo the day before, then you might wait until noon to show up.

Is it ok to bring my younger children?

Yes, we encourage all ages to attend!

Where do we sign up for tours?

Sign up for a tour or two in the student center area in the main building at noon. Tours will be guided. So just meet at the sign up table at your designated time.

Where do I go once I get to SFCC?

Go into the main building. There will be easels with signs giving you directions. The award
