Jenkins High School 1913-1963

The high school years are stages of growth and transition. The direction and form in which the individual grows greatly depends upon his high school. Although the school and students have changed through the years, the ideals and goals have not. Through scholastic, athletic and social activities, JENKINS HIGH SCHOOL has been dedicated to developing the individual for FIFTY YEARS.

Dedication

The Annual Staff of 1964 proudly dedicates the yearbook to

WARREN E. BREWER.

Under his leadership Jenkins High School Band has become the finest band in this area. Last year the band received the superior rating at SEKMA festival. It was rated as one of the five best bands at Camp Crescendo, a national music camp. The band brought a trophy to the school from the Bristol Band Festival, part of the National Marching Band Competition. Your music, Mr. Brewer, has brought a note of cheer and a ringing of school spirit to the halls of Jenkins High School.

School Administration

CHESTER L. SPARKS
Superintendent of Schools

Mr. Sparks is a native of Letcher County. He graduated from the Whitesburg High School and continued his education at Eastern Kentucky State College until he received a B.S. degree. He followed this with work at the University of Kentucky until he received a Master's degree.

He served as the Director of Pupil Personnel of Jenkins Independent School District from 1953 to the close of the 1961-62 school year. He returned to the Jenkins School System as Superintendent, July 1, 1963.

Eldon Davidson

"He knows all, sees all, hears all," golden words of wisdom spoken many centuries ago are still applicable in this modern age for our principal, Mr. Eldon Davidson.

"He knows all" Mr. Davidson's knowledge of student activities seems unending. He always is willing to lend a helping hand.

"He sees all" Quick to notice infractions of school rules, Mr. Davidson has also proved himself as an accurate and fair judge of student character.

"He hears all" He is always the first to hear of the triumphs and shortcomings of JHS'ers and while proud of the triumphs he copes fairly with the shortcomings - - -

Mrs. Ruby Whitaker

Mrs. Ruby Whitaker, former graduate of Jenkins High School, returned to Jenkins High School as secretary to the principal. The students appreciate her cheerfulness, patience, and willingness to help.

CO-EDITORS
Elizabeth Malick and Anne Storey

This volume envinces the fact that the Cavalier staff eventually got busy and found that knee deep in photographs, with their fingers into the glue, copy sheets, typewriter ribbons, and fundraising campaigns, it actually could be rather enjoyable. We now look back and realize that the bickering, the panic sessions, the mounds of photos and paper, and the gray hairs added to Mrs. Knight's head represent to us the high point of this school year. Indeed, we sincerely hope that you, the reader, will enjoy reliving a few moments of this year with the compliments of the 1964 CAVALIER STAFF.

Cheerleaders

Janice Morgan, Frances Baker, Reva Kelley, Lois Narramore, Captain.

Congratulations to Cheerleaders, team and student body!! This year Jenkins won the highest SPORTS-MANSHIP rating in E.K.M.C. A cooperative effort on the part of everyone involved in our athletic program made this possible. This rating is determined by the officials of E.K.M.C. games. Rating is based on sportsmanship shown by team, coaches, student body, school officials, and other spectators.

Due to the efforts of the CHEERLEADERS, the Jenkins Cavaliers can count on plenty of support from the crowds. Even when the competition is tough or the team seems to lack that drive, the cheerleaders keep the flame of hope burning in the hearts of all loyal fans.

Too often there is so much emphasis on football and basketball that we fail to recognize track, baseball, and golf.

Last year the baseball team won the district title by defeating Virgie. The team was runner-up in the Region, losing a close game to Pikeville.

Four members of the track team qualified in the half-mile relay, high jump, and the 440-yard dash for the State meet in Lexington. This year they will compete in several meets including one with Pikeville College and one at Clintwood, Virginia, which will include a five-state area.

The golf team was organized in 1963. Although newly formed, this team participated in the regional tournament at Paintsville. This year they again took part in this tournament.
