Jenkins High School 1964-'65

"God pity them both; and pity us all
Who vainly the dreams of youth recall
For of all sad words of tongue or pen
The saddest are these: 'It might have been!'"
John Greenleaf Whittier

The years after graduation will be the most important ones of our lives. We must set our goals carefully and then strive to attain them. In order to make our youthful dreams become reality, we must work. Our quest to fulfill these dreams will be difficult, but not impossible.

Maturity and flexibility are the primary elements which will determine our success or failure. The world is ever-changing, and, in order to succeed, we must have the maturity to face it without qualms and the flexibility to change with it. If we hesitate or become complacent, our dreams will shatter, and we will be heard vainly echoing regret that "It might have been!"

Busy at his desk long after everyone else is gone.

Dedication

With dignity and friendliness, Mr. Davidson, our principal, led Jenkins as it has progressed to better things during his four years. Through his guidance Jenkins excelled scholastically and gained admirable recognition as a four-year school. His excellent leadership has won him the respect of the students and the faculty.

Each Day

. . . early and late, more than one hundred-twenty endlessly busy
Seniors gather in clusters and crowds . . . join in routine daily affairs
of classes and clubs . . . check the latest reports of projects and
parties, of plans and paraphernalia . . . share work and play, joy
and tears, victory and defeat - all of the moments that combine to
form the year we call "the best."

The Cavalier Band on Parade!!

Mr. Brewer and The New Drum Major Uniform.

As the last sheet of copy goes to press, and the re-usable materials are put back into the cabinet for the last time, and as the mountains of mistakes and wasted materials and soft drink cups are thrown away, we, the 1965 STAFF, have a sneaking suspicion that the 1965 CAVALIER will be the finest most beautiful annual in the history of Jenkins High School.

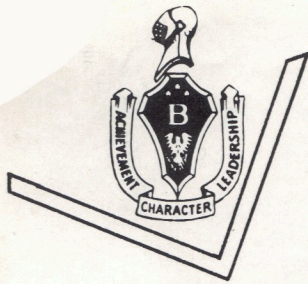

KAREN WRIGHT, Editor

Cavalier Annual Staff

Susan Sexton, Teresa Bellomy, Karen Wright, Mrs. Knight, Sponsor; Brenda Smallwood, and Bert Fields, Jr.

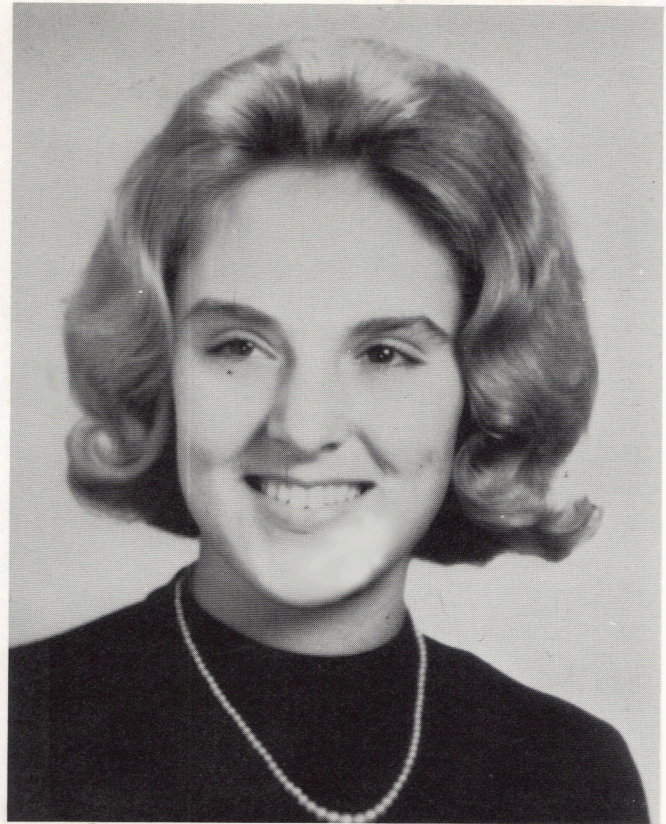

The members of the Jenkins High School Beta Club elected Miss Shelby Jean Shelby Beta Club Queen of 1965.

This organization was founded by high school principals for the purpose of recognizing students who have been outstanding in scholarship, service, character, and leadership. A student becomes a member of the Beta Club upon recommendation by the faculty and upon attaining a "B" average. The new members included fifteen juniors and one senior.

As a service organization, the Beta Club sponsored: Thanksgiving assembly program, "Keep Your School Clean" program, College Catalog program, and Radio Public Service programs.

As a social affair, the Beta Club attended the Barter Theater rather than having a semi-formal party.

As a service organization, the Key Club participated in the annual Kid's Day, Kiwanis Minstrel, and the Christmas Basket program.

In Memory

To the students of Jenkins, the untimely death of Coach Jim Summers was a tragic loss. There are pleasant memories for those who knew him. He was respected and admired by the faculty as well as the student body. His basketball boys were the "sons" he never had.

He came to J.H.S. in 1959. During the four years that he was head basketball coach, his teams won the district championship twice and were twice runner-up. Having done this, he proudly saw his "sons" make the trip to the regional tournament four straight years.

Therefore, with mingled feelings of grief and pride, we, the Annual Staff of Nineteen Hundred and Sixty-Five, dedicate the athletic division of THE CAVALIER in memory of COACH JIM SUMMERS, whose life, brief in its span, exemplifies to all the excellence of quality over longevity.

Freedom Isn't "Free"

Our graduates have an opportunity to enjoy a life of freedom, plenty and individual choice — privileges earned by our forefathers.

However, we have a responsibility to perpetuate these privileges. They are not given us "for free". We must earn them ourselves. Individual devotion to The American Way is as important today as it was in 1776.

Today's graduates must shoulder this responsibility, or there will be no freedoms to bequeath tomorrow's students.

As Goethe, the poet, said, "What you have inherited from your fathers, earn over again for yourselves or it will not be yours."
