TO THE STUDENTS:

I am confident that you have gained a great deal from the type of education we offer at Jenkins High.

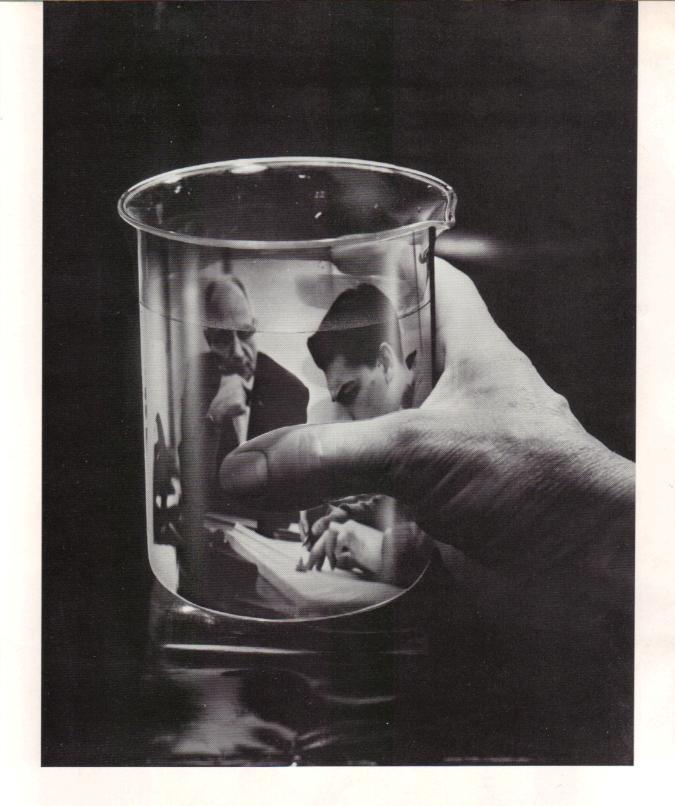

Our graduates have helped us to maintain a high rating and respect among educators throughout the state by their behavior, appearance, and scholastic achievement. We are justly proud of our graduates and their accomplishments.

God has given each of you many and varied talents. Develop them so that you can better serve Him and your fellowman.

Congratulations to the seniors of 1968.
