

**COVID-19 Recovery Input Meeting  
Third Grade Teachers  
May 12, 1:40 PM  
Forsan Elementary**

**Impact statements included ...**

1. Lack of critical thinking Skills/Problem Solving skills.
2. Reduced social skills
3. Emotional, lack of maturity
4. Poor relationships. Inability to get along.
5. Easily angered – including parents (and maybe even teachers).
6. Selfish
7. Math skills reduced – especially #1. If they have to think, they give up.
