NOTICE OF DEEMED CONSENT FOR HIV, HEPATITIS B OR C TESTING

VDH is required by § 32.1-45.1 of the Code of Virginia (1950), as amended, to give you the following notice:

1. If any VDH health care professional, worker or employee should be directly exposed to your blood or body fluids in a way that may transmit disease, your blood will be tested for infection with human immunodeficiency virus (HIV), as well as for Hepatitis B and C. A physician or other health care provider will tell you the result of the test. Under Va. Code § 32.1-45.1(A), you are deemed to have consented to the release of the test results to the person exposed.
2. If you should be directly exposed to blood or body fluids of a VDH health care professional, worker or employee in a way that may transmit disease, that person's blood will be tested for infection with human immunodeficiency virus (HIV), as well as for Hepatitis B and C. A physician or other health care provider will tell you and that person the result of the tests.

I have read the Emergency Use Authorization Fact Sheet for the COVID-19 vaccine and understand the risks and benefits. I believe the benefits outweigh the risks, and I accept full responsibility for any reactions that may result from the receipt of the immunization. I give consent to the Health Department and its authorized staff for my child named at the top of this form to receive the COVID-19 vaccine.

Office of Privacy and Security - Authorization for Disclosure of Protected Health Information

This consent gives the Virginia Department of Health (VDH) permission to disclose personal health information to the person(s) or organization(s) I have indicated.

- I understand the provision of treatment to my child cannot be conditioned on my signing of this authorization.
- Any health information redisclosed by me or my child will no longer be protected by this authorization.
- The original or a copy of the authorization shall be included with my child's medical record.
- I have the right to revoke this authorization at any time, except to the extent that action has been taken prior to my request to withhold my medical record. The request must be in writing and will be effective upon delivery to the provider in possession of my medical records.
- I authorize VDH to disclose my child's health information to his/her primary care physician and school.
- I understand that this record will be retained until my child reaches 21 years of age.
- I authorize VDH release records necessary to support the application for payment by Medicare, Medicaid, and other health care benefits. The third party payer to pay any authorized benefits to VDH on my behalf.
- I understand this document will be given to and retained by the public health department and will not be maintained by the school.
