

FAFSA Workshop What you should bring.

In order to fill out the 2022-2023 FAFSA please have the parents and student bring:

1. Driver's License
2. Social Security cards
3. 2020 Tax information..... 1040's, W2's, 1099's
4. Make sure if they have previously signed up for a FSA ID that they bring the information with them
5. Must have access to email while at the school
6. DO NOT enroll a FSA ID with a high school email... use gmail, yahoo, Hotmail
7. Current Bank Statement and Investments

If you can have the student and parent have their FSA ID set up prior to the FAFSA Workshop that would be extremely helpful. It can **take 3 business days to activate the FSA ID's** with the verification of homeland security and Social Security now. Please keep in mind the parent and student cannot use the same email. The **FSA ID is CaSe SENSITIVE!!..** Show your responses to verify everything is correct. We also discourage students from creating the FSA ID using their school email address as those accounts are usually purged once a student graduates.
