

Dear Senior Families,

Congratulations on having a graduating senior in your household! This senior year is, yet again, a year like no other. We are excited to welcome back more events and a regular school schedule this year to increase our opportunities for covering as many students as possible in the yearbook. The 2022 book will be one every student will want because of the historical significance of what this class has been through. In order to make yearbooks even more special, we are again offering senior tributes. Senior tributes are available for anyone in the class of 2022, and they are a great way to share your love and support and congratulate your graduate on such a special achievement. Our seniors love to see those pages in the book, and it has become a highlight when the book is distributed for students to share those pages.

The staff would love to feature your senior in the senior tribute section of the yearbook. Purchasing a senior tribute ensures that your senior has a unique, customized space in this year's book, making them stand out!

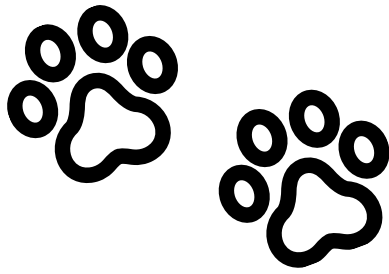

To create your tribute, please go to www.jostensadservice.com. Attached you will also find our flyer with more information about tributes.

If you have any questions about ordering a senior tribute, or a yearbook, please reach out to our staff through the HHS Yearbook email, or through her direct school email: hsyearbook@highlandcusdd5.org

We're so excited to share this year's book with everyone, and we thank you for your support.

Sincerely,

The HHS Iris Yearbook Staff

Prices

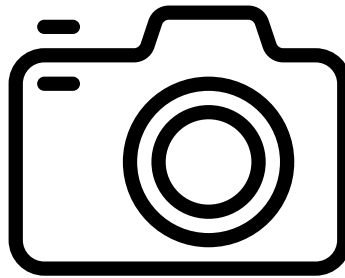

1/2 Page
\$120

1/4 Page
\$75

1/8 Page
\$40

ORDER YOUR *Senior Tributes* NOW!

Senior Tributes are a great way to have accomplishments, achievements, and important events commemorated in the yearbook! Purchasing tribute space guarantees that your memories will be featured in the yearbook.
