Public Participation: Stephanie Zuermehly 2869 St. Rt. 131 Fayetteville, Ohio spoke about the guidelines for mask wearing. She asked that the board please consider the fact that this is not mandatory on behalf of our schools to make our students wear masks to school. She reminded the board to know that the decision is in their hands. She provided the ORC 5501.01 and that school buses are exempt from following the mandates and students have options to wear or not wear a mask. Please do what parents are asking not what the CDC thinks is the best for our children. She provided the Board Members with a handout from “German Neurologist warns against wearing Facemasks: Oxygen Deprivation Causes Permanent Neurological Damage”. Mrs. Iles thanked Mrs. Zuermehly for attending and they will consider the items presented to the Board of Education.

Treasurer's Report:

Mrs. Tussey renewed her Treasurer's license with ODE for 5 years 7/1/2021 through 6/30/2026. She was able to renew with the contact hours vs credit hours. She said both the June, 2021 fiscal year-end balancing and July went well. The 2nd half property taxes have been received and the Brown County taxes reflected an increase of \$11,907.97 from last year at this time. She provided the Board Members with an updated Employee Roster for the 2021-2022 school year. She said she will hold a mandatory Student Activity meeting on 8/16 for those with supplemental contracts that need to provide their budgets for the FY22 school year. In regards to the ESSER grants we have completed expenditures for the Esser 1 and finalizing our budgets for Esser II and Esser III as well as the Title grants.

Superintendent Report:

Mr. Carlier shared that he spoke with Perry Township Trustee Jeff Wiederhold about the technology needs for our district. He had Mr. Siegler attend a trustee meeting to see if he could share with the Trustees the needs. Mr. Gauche and I did a final walk through this morning and I feel that we are ready to begin our school year. He said that we have our setup to continue to follow the same protocol for sanitation. After attending a superintendents meeting last week he learned that the RESA program may be reduced from 4 years to 2 years. He said there is a limited number of individuals going into the teaching field. Discussed the re-opening plan for each district and he said that it is the students' choice for mask wearing. We have lots of changes for this year and that our school is complete 1 to 1 with our elementary students receiving their Chromebooks this year. This is much to learn for both the teachers and our students. These first few days we are offering the Google training for our staff. Mr. Carlier said that our first day, meet and greet will be on Tuesday, August 17th if any of the board members would like to attend. Our new teacher's orientation on Wednesday, 8/11 went very well. He learned much about our new staff members at this session. He said he is looking forward to a successful academic school year.

The Board requested to have photos sent to the local papers of our new staff members.

Southern Hills CTC:

Mrs. Johnson shared that they are entering into additional satellite programs with districts and that is going well. Similar to the program that we have here with Mr. Basford who teaches the 7th and 8th grade computer applications. They have a new lunch service program where they have partnered with Clermont Northeastern school district. Excited for a new school year and the partnering with Grant Vocational for additional adult programs.
