## Acceptable Use Policy Acknowledgement Boothbay Region Elementary School 2021-2022 School Year

### AOS 98 Grades K-8 AUP Parental Agreement

As a parent or guardian of this student, I have reviewed the [AOS 98 Acceptable Use Policy](#) and additional rules for iPads issued to students. I will support the efforts of BRES in monitoring my child's appropriate use as described in the policy above. I understand that violations are unethical and may result in the loss of my child's privileges to use AOS 98 computers, laptops, iPads, or network and internet services, the payment of damage or loss fees, disciplinary action, and/or legal action. I grant permission for my child to receive the loan of or use of a AOS 98 computer, laptop, or iPad for educational purposes and understand that my child will have access to the Internet and will not hold BRES accountable for risks associated with Internet usage. I also understand that their work may be published on the internet as an extension of their classroom activities and that pictures may be included in school newsletters, publications, or class websites. I also acknowledge that by accepting the use of a AOS 98 iPad, I am responsible for any damage, loss, theft, or neglect of a AOS 98 iPad that is not covered by Apple's Warranty against defects(up to the \$50 ins. deductible).
