Item II: The Character Education Word for the week is "*Perseverance*."

Item III: **NUTRITION TIP:** Plan to eat as a family at least a few times each week. Set a regular mealtime. Turn off the TV, phones, and other electronic devices to encourage mealtime talk.

Item IV: **READING FUN TIP** - Learning to read starts before your child starts school with everyday interactions such as singing, playing, and talking.

Item V: **COUNSELOR'S SPOTLIGHT:** **Respect is essential for a positive learning environment**
When students have respect for teachers and classmates, they help create the positive academic environment all kids need in order to be successful. To promote respectful behavior: **Discuss respect.** What is it? Why is it important? How does it feel to be treated with respect or disrespect? **Be a role model.** Do what you want your child to do. If you want her to say please when asking for something, remember to say please yourself. If you want her to knock before entering your bedroom, do the same for her. **Criticize constructively.** When you need to correct your child, do it privately and respectfully. "Next time, please hold the door for Grandpa. That will make it easier for him to get through the door." **Notice times when your child is respectful.** "You listened to the coach even when other players were joking around I was impressed."
