

Fall 2021

SAT and Enrichment Seminar Program

Courses for students in grades 10-12

Students in grades 3-12 are provided the opportunity to participate in challenging and enriching seminars pursuing a wide variety of interests over the course of four to six Saturday mornings. SUNY Oneonta Pre-service teacher candidates design and instruct the seminars (except the SAT Prep course). Seminars are offered each fall and spring and are held virtually or on the SUNY Oneonta campus. The program was first established in 1958 and has been continuously running since.

The S.A.T. Preparation Course helps prepare students to take the S.A.T. College Entrance Examination. The course will assist students in pinpointing their strengths and weaknesses. The course also provides strategies to use and practice to improve S.A.T examination scores. Two instructors team-teach the class, alternating between the math and the language arts sections of the exam. Students receive a textbook in order to do additional independent studying between class sessions, and to continue preparation for the exam after the course has ended.

Seminars for Students in Grades 3-8:

Please note that we are planning to offer enrichment seminars for students in grades 3-8. Information will be forthcoming.
