

Apollo Center Child Care

Your Child's First Exploration into Education

Child Care is available for students 6 weeks through 5 years of age. Children will participate in child initiated educational activities in a developmentally appropriate learning environment. Classroom activities enhance the development of socialization, fine and gross motor skills, math, language, literacy and reading.

Our program is in session year round.

Our Facility Includes:

- A Gymnasium
- Enclosed Outdoor Playground
- Indoor Gross Motor Area

We also have special guests such as: puppeteers, musicians, and more!
